

Catalog of mini-projects: Stories of unity, resilience and social cohesion of the communities

Project “Joint efforts in community recovery!”

PAUCI Foundation Project "Joint efforts in community recovery!" was implemented during 2022-2024 in 16 communities of Kyiv, Chernihiv, Sumy, Kharkiv and Mykolaiv regions.

Project’s target communities:

- Kyiv region – Petrivska, Poliska, Gostomelska, Buchanska communities;
- Chernihiv region – Ivanivska, Kiyinska, Novobilouska communities;
- Sumy region: Okhtyrka, Chernechchyn, Bilopol communities;
- Kharkiv region – Chuguiv, Chkalov, Rohan communities;
- Mykolayiv region – Doroshivka, Prybuzhany, Buzk communities.

The objective of the project is to enhance communities representatives cooperation, including young people, civil society organizations, IDPs, volunteers and other social groups with local-level government in the process of recovery for Kyiv, Chernihiv, Sumy, Kharkiv and Mykolaiv oblast communities. The long-term objective is to increase the level of mutual trust in the communities.

Within the framework of the Project, a School of Community Cohesion and educational visits were organized, a survey of the opinion of the residents of each community regarding existing recovery challenges was conducted, and 121 dialogue sessions were arranged in communities with the participation of residents and local authorities to discuss recovery priorities and joint action plans. 81 initiatives were developed by residents together with the local authorities, and 44 mini-projects were implemented during 2023-2024 with the support of the Project. The final Forum of Active Residents and Open Authorities was held, which brought together representatives of all target communities of the Project.

This project was supported by the Partnership Fund for a Resilient Ukraine (PFURU), funded by aid from the governments of Canada, Estonia, Finland, Netherlands, Sweden, Switzerland, United Kingdom, and the United States of America.
