

Polish-Ukrainian Cooperation Foundation PAUCI

Annual Report 2016-2019

Best European Practices for Ukraine!

The Polish-Ukrainian Cooperation Foundation PAUCI: established in April 2005 as a legacy organization to the Poland-America-Ukraine Cooperation Initiative. Since 1999, this Initiative served as a unique tri-lateral inter-governmental program (financed by USAID) aimed at sharing best practices of Poland's successful transition from a centrally planned economy to a liberal, market-oriented democracy.

Enriched by PAUCI financial and technical assistance, more than 460 Polish and Ukrainian organizations have conducted some 220 partnership projects and activities influencing key areas of civil society and free-market development.

The mission of PAUCI:

Build the capacity of Ukraine to integrate more closely with the European Union and NATO through the application of Polish and European experience. The foundation also aims to involve Ukraine in the active support of democratic processes in the region - Belarus, Moldova, Russia, Georgia and other countries on the post-Soviet space.

Key Programs:

- ✓ Energy efficiency
- ✓ Public Governance
- ✓ European Integration
- ✓ Entrepreneurship
- ✓ Youth involvement
